Yeshiva Ohr Zechariah has disbursed \$26,240 to 41 students under Section 18004(a)(1) of the CARES Act as of November 23, 2020.

The estimated total number of students at the institution eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act who were enrolled during the Summer 2020 semester is 54.

The method used by Yeshiva Ohr Zechariah to determine which students receive Emergency Financial Aid Grants and how much they would receive is based on the total allocation and the expenses for food, course material, equipment needed to participate in the educational program due to the disruption of campus operations, travel home expenses and health care related expenses which has been calculated at \$640 for a dependent student. All students enrolled are dependents students.

Students received the following instructions with their grants: "As per the CARES Act, these grants are to be used for expenses that are related to the disruption of campus operations due to COVID-19, including things like course materials and technology as well as food, housing, health care, and childcare."
